Some volunteer shifts/jobs during the event can be fulfilled by a skater 15 years of age or older. Many jobs at the event must be completed by an adult. POLAR CONCESSIONS

We will be operating the concession stand during the 2024-2025 season at Polar Ice Arena. We have the opportunity to run concessions during high school varsity hockey games this season. In the past this opportunity has taken place in spring and has helped us provide the show “extras” (LED lighting & costumes) and keep the fee charged for our spring show lower. This year we will divide concession stand shifts into two periods of time, winter and spring. A volunteer requirement will apply to each time period. We are requiring each family of full club members to complete **2 volunteer shifts (plus 1 additional shift for each additional skater) during winter months and 2 volunteer shifts (plus 1 additional shift for each additional skater) in spring months for a total of 4 required shifts per family plus total of 2 additional shift per additional skater (6 shifts for family with two skaters) during both winter and spring shifts. Introductory members will be required to complete 1 shift during winter and 1 shift during spring months for a total of 2 shifts.**

I understand and agree to fulfill the volunteer requirement for the polar concession stand used or run by the figure skating club during the 2024-2025 season. I understand and agree to fulfill the mandatory volunteer requirement working at the concession stand at Polar Ice Arena. I understand and agree that if I do not complete my concession stand volunteer requirement I will be charged a volunteer fee of \$75 for each required shift that was not completed.

POSSIBLE ADDITIONAL FUNDRAISER

If the board deems necessary, it is possible that an additional fundraiser (to be determined) may be added during the year that would require participation of all club members.

I agree to fulfill the mandatory volunteer requirements or sell items as stated above. I understand and agree that I will be invoiced a fee for non-participation (to be determined) for each unfilled shift or item for any fundraiser added by the Maplewood Figure Skating Board Members to the 2024-2025 season.

CONTRACT / RANDOM ICE - SKATERS RULES & RESPONSIBILITIES

Skaters are expected to check in with the rink monitor every time they get on the ice. It is the skaters responsibility to check in with the rink monitor each time they get on ice and communicate payment methods being used that day. Skaters are expected to check in with rink monitors for all contracted ice, for each ice buy on and when using an open contract coupon. Skaters should sign rink monitor sheets/form prior to taking ice when there is no rink monitor.

My skater and I understand that skaters need to check in each time they get on the ice as stated above. I understand if no rink monitor is present to check in that my skater or myself must write down name and payment method prior to getting on ice.

ASSOCIATE / ADULT / ALUMNI VOLUNTEER INCENTIVE

Associate members and Adult/Alumni members are not required to complete any volunteering requirements, but will be eligible for a volunteering incentive. If an adult member chooses to participate in any one of the club fundraisers they will be eligible for a 1 hour ice coupon to be used for any contracted session occurring during the 2024-2025 season. Coupons will be valid the entire session and will not expire until the end date of spring contract ice in May of 2025. Opportunities to earn an ice coupon include: car show shift selling candy bars, fall classic volunteer shift, completion of 4 rink monitor shifts, and/or concession stand shift at polar arena.

****Note on Outstanding Bills****

For all of the agreed volunteer events listed above, if at any time the result of non-participation or buying out leads to outstanding bills the following rule shall be placed in effect. This rule shall also be applicable for any outstanding overdue bills due to MFSC in general. **Rule:**

Any member in arrears for dues or other indebtedness to the Club shall be notified by the treasurer, secretary or other club officer. Arrears for contract ice is: 30 days. Member will then be notified. If no resolution after 60 days this member will be considered "not in good standing" and the skater(s) shall be deemed "not in good standing" with US Figure Skating. This means the skater(s) shall not be allowed to skate on club ice, compete, participate in synchro practice or competitions, skate in the MFSC Spring Show, test with US Figure Skating, renew their US Figure Skating Membership with any club, or participate in any club benefits afforded by their membership until such a time as all outstanding bills are paid in full."

I agree and understand that by digitally agreeing to this document it shall be considered binding similar to signing a physical copy.

Special Note

The board of governors recognizes that the club has fundraisers and member requirements that possibly other clubs do not have. This is all in an effort to try to keep the **ice costs** per session **as low as possible** for all of our members. The board tries to keep the fundraiser/volunteer obligations to more of a time commitment than a monetary one (unless the member chooses the buyout option).

We hope you understand our reasons for membership requirements.

If you have any questions regarding membership please contact Danielle Semler at MFSCMembership@gmail.com or 651.592.5993
